TURNOVER 2019

42.6 MRD. €

OUR MISSION

Saint-Gobain designs, manufactures and distributes materials and solutions which are key ingredients in the wellbeing of each of us and the future of all.

They can be found everywhere in our living places and our daily life: in buildings, transportation, infrastructure and in many industrial applications.

They provide comfort, performance and safety while addressing the challenges of sustainable construction, resource efficiency and climate change.

OUR AMBITION

WE HELP TO CREATE GREAT LIVING PLACES AND IMPROVE DAILY LIFE BY COMBINING :

comfort

Which answers today's individual needs

+

sustainability

Which addresses tomorrow's collective challenges

=

TO ENHANCE THE WELLBEING OF PEOPLE EVERYWHERE

BUILT ENVIRONMENT IS A CRITICAL SOLUTION TO CLIMATE CHANGE

CIRCULAR ECONOMY AT THE HEART OF OUR STRATEGY

ZERO CARBON

CIRCULARITY

HEALTH &
WELLBEING

ONE SNOWY DAY IN NOVEMBER 2017...

Mineral wool waste back to loop with advanced sorting, pre-treatment, and alkali activation

Call/Topic: Raw materials innovation for the circular economy: sustainable processing, reuse, recycling and recovery schemes

Type of action: Innovation action; Duration: 36 months; Project start: 01.06.2019

Project budget: 6,7 MEUR; Total EU funding: 5,3 MEUR

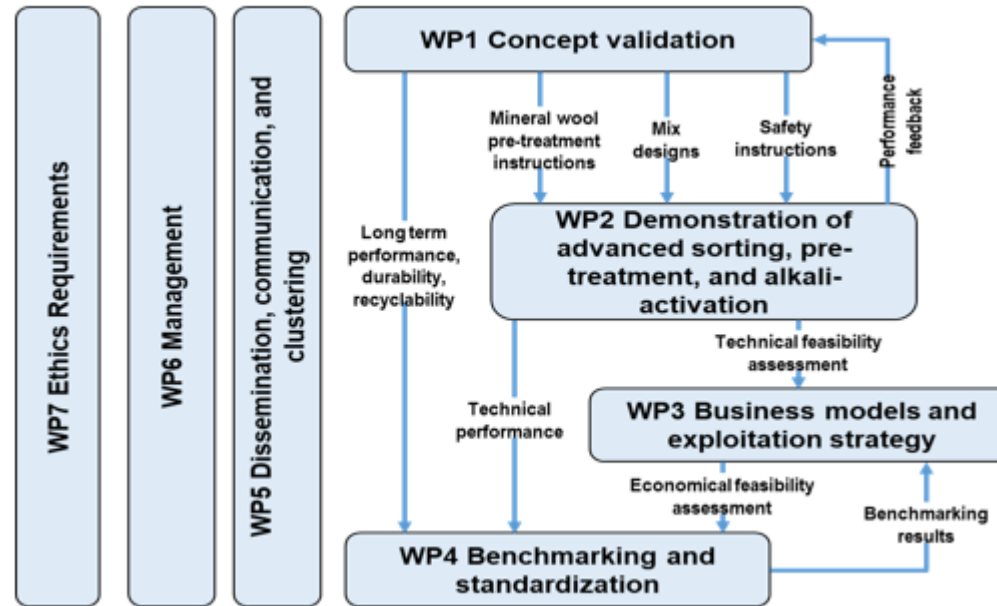

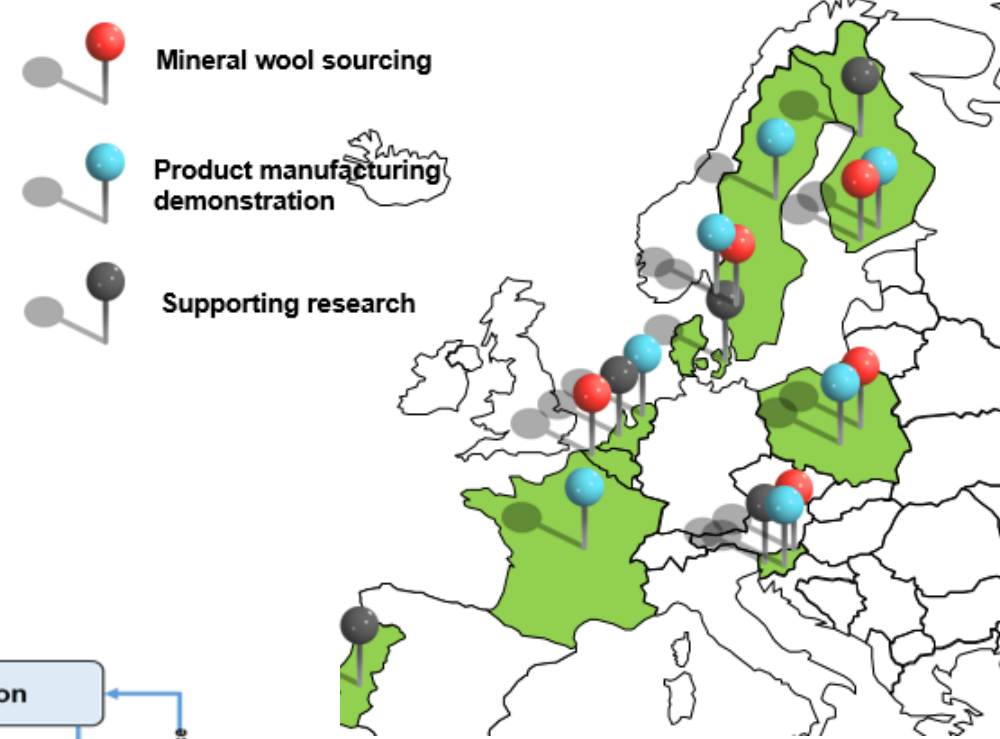

WOOL2LOOP

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 821000. YOU NEED TO TRY EVERYTHING BECAUSE YOU ONLY LIVE ONCE...

What does Coordinator do and how?

1. Efficient management and leadership of the entire project - time, € & quality.
2. Keeping contact and communicating between EU/PO and the Consortium.
3. Providing requested documentation, reporting, data etc. to EU.
 1. Guiding and pushing partners to provide needed information.
4. Manages grant, payments and Grant Agreement amendments.
5. Enhance the communication and collaboration between Consortium partners.
6. Cheers up, motivate, kicks, guides and helps?

STILL SMILING...

- Combining business and research gives new perspectives, visibility to academic world and strengthens forerunning companies
- Branding, communication and visibility boost
- "Untypical" funding for businesses
- Excel your project management skills
- Learn new and sometimes also really weird stuff
- Learn more about other funding opportunities
- Enjoy sharing the "business & real life" view
- Great and atypical networking opportunities for companies
- Get to know a lots of brilliant and funny people!

Thank you!
